| 1     | **Event that mobilized nationalist feelings:**  
The Greek War of Independence  
**OR**  
The name of writer: Phan Boi Chau                                                                                                                                 | 13 (H)   | 1     |
| 2     | **Occurrence of minerals:**  
In igneous and metamorphic rocks minerals may occur in cracks, crevices, faults and joints.                                                                                                                      | 49       | 1     |
| 3     | **Difference between investment and foreign investment:**  
The money that is spending to buy assets (land, building, machines and other equipment) is called investment, while the investment made by the MNCs is called foreign Investment. | 51 (G)   | 1     |
| 4     | **The logo:**  
ISI/ Indian Standard Institutions                                                                                                                                                                                      | 57 (E)   | 1     |
| 5     | **Difference between issue specific and generic movements:**  
Issue specific movements seek to achieve a single objective within a limited time frame, while generic movements seek to achieve a broad goal in the long term. | 65 (PS)  | 1     |
| 6     | **The political party that has national level political organization but not recognized as the National Party:**  
Samajwadi Party/ Samata Party/ Rashtriya Janta Dal  
• Any one to be mentioned                                                                                                                                                                           | 81 (PS)  | 1     |
| 7     | **The organisation which led the protest against water privatization in Bolivia:**  
FEDECOR                                                                                                                                                                                                   | 62 (PS)  | 1     |
| 8     | **One cannot refuse a payment made in rupees in India:**  
Because it is accepted as a medium of exchange. The currency is authorized by the government of the country.                                                                                             | 40 (E)   | 1     |
| 9     | **The credit activities of the informal sector should be discouraged because:**  
(i) 85% of loans taken by the poor households in the urban areas are from informal sources.                                                                                                                 | 49 (E)   | 3     |
|       | (ii) Informal lenders charge very high interest on their loans.                                                                                                                                                        |          |       |
|       | (iii) They try to charge more and more interest on their loans.                                                                                                                                                      |          |       |
|       | (iv) There are no boundaries and restrictions.                                                                                                                                                                        |          |       |
|       | (v) Higher cost of borrowing means a larger part of the earnings of the borrowers is used to repay the loan.                                                                                                         |          |       |
|       | (vi) In certain cases, the high interest rate for borrowing can mean that the amount to be repaid is greater than the income of the borrower.                                                                      |          |       |
|       | (vii) This could lead to increasing debt and debt trap, therefore the credit activities of the informal sector should be discouraged.                                                                              |          |       |
|       | (viii) Any other relevant point.                                                                                                                                                                                      |          |       |
|       | • Any three points to be argued.                                                                                                                                                                                     |          |       |
### Sectional interest groups:

The groups that seek to promote the interests of a particular section or a group of a society is called sectional interest groups. (1)

**Functioning:**

1. They perform a meaningful role in countering the undue influence of other groups.
2. They create awareness about the needs and concerns of their own society.
3. Their principal concern is the betterment and well-being of their members not society in general.
4. Any other relevant point.

- Any two points to be described. (2X1=2) 64(PS) 1+2=3

### National Political Party
